MAY 4 - 6, 2013 - HOTEL ENFRENTA ARTE, RONDA

Hotel Enfrente Arte

This issue is devoted to images of the Ronda hotel we stayed in, Hotel Enfrente Arte. Indeed a very eclectic and special place and where I could live out the rest of my days if no one else would let me in. If I was a rich man I would take you all here and party until the end of our time (and we could all learn to make espresso in their free self service bar).

In particular, I am pretty sure a couple of my friends and fellow artists would have enjoyed this place so very very much. So... this issue is dedicated to those friends; Bob Lucas (a great eclectic artist and currently sequestered in Costa Rica) and the late great Kenny Smith, (one of my greatest artist friends and a genuine pain in the ass at times)...

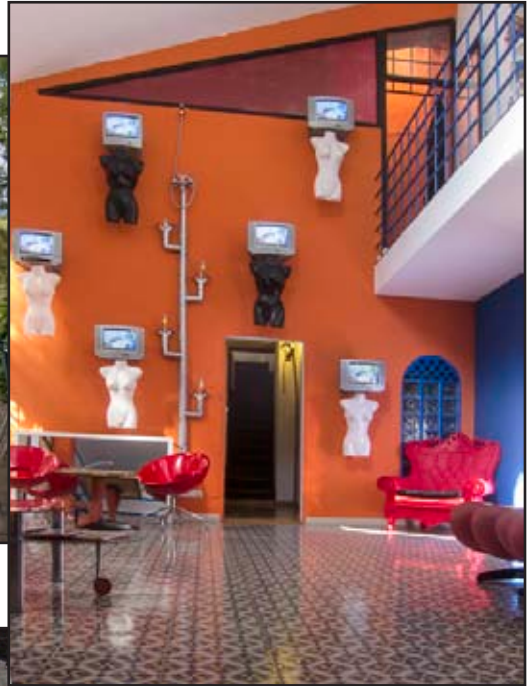

Ever since my friend Kurt Dahl told me of an art show of man hole cover photographs he attended, I've been noticing and photographing them... SO... we begin outside the Hotel Enfrente Arte with one. Someday I aspire to have my very own man hole and sewer cover art show!
